ATTESTATION OF SERVICE

27 OCT 2024

This is to certify that **Alameen Kareem** has volunteered with the **Centre for Youth and Sustainable Development (CYSD)** as a **Full Stack Developer** from September 2024 to October 2024. During this period, Alameen demonstrated exceptional technical skills and professionalism in rebuilding and enhancing our organization's website. His expertise in **JavaScript, React.js, Node.js, WordPress, and PostgreSQL** was instrumental in delivering a dynamic, user-friendly, and fully functional website that now serves as a vital tool for our outreach, communication, and program delivery efforts.

His ability to collaborate with our team, adapt to organizational needs, and solve complex technical challenges was commendable. Alameen's work ethic, dedication, and technical acumen greatly exceeded our expectations, making a lasting impact on our organization's digital presence.

We are grateful for Alameen Kareem's contributions and highly recommend him for any role or project that requires advanced full-stack development skills.
